

TEXAS SUCCESS ACADEMY'S

GRADUATION ETIQUETTE

Graduation is fast approaching, and we're all excited about this wonderful chapter of your lives. Remember these things so we all can have a great time

- 1) Small children do not belong at graduations. They get bored, cry, run around, etc. Please keep this in mind when considering bringing small children.
- 2) If your children come with you to graduation, please have someone with them who can take them outside, so they can walk around and stretch their legs.
- 3) Every seat is \$10, no matter how young the child is, except for small children being held.
- 4) If your child/ren is misbehaving during the graduation, the person responsible for him/her will be asked to leave and not return until the child has calmed down.
- 5) Please shut off your cell phone during the graduation.
- 6) Keep noise to a minimum. Most people want to clap and yell for the person they came to see. But remember, too much noise will block out what is being said about the graduate.
- 7) HAVE A GREAT TIME!!!! You have reached a milestone.
