

# Information Graduation Letter

**Important!!!**

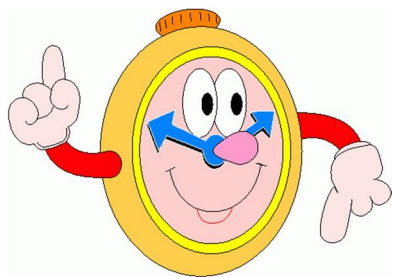

Well, soon to be high school graduates, it's time. GRADUATION IS ALMOST HERE!!!

You will receive 5 (free) tickets with fees already paid. You can buy up to 20 more tickets, and if you need more, let us know quickly while they last. Tickets will be brought to rehearsal, Friday evening, June 10th and any extra tickets that have been bought will also be given out Friday evening. **Extra tickets are \$10 each.**

**Make sure you order and pay for new tickets between now and May 21<sup>st</sup> so they can be ordered and brought to graduation Friday evening. DO NOT ORDER TICKETS FROM Josten's. You will only be allowed into graduation using our tickets.**

Make sure you bring your **CAP, GOWN, and TASSEL** to take your school pictures in on Friday evening. Students may also decorate their caps.

We have a very short time to go over the things you will need to know, so please **BE ON TIME.**

If you come with anyone, they will need to stay in the hall until rehearsal is over.

**The next order of business:** Don't worry, because you will have such a great time at graduation!! Being nervous can sometimes make you sweat. And even if you don't think it will, it can. So please, **Everyone take a bath or shower the night before graduation and the morning of graduation.** Use some good deodorant that will help with sweating. Also, please iron your gown. When it comes out of the package, it is wrinkled. Just use a warm or cool iron and it will take out the wrinkles.

**MEN:** Make sure you have on a nice shirt and tie under the gown and wear slacks, shirt, tie, etc.

**LADIES:** The same for you. Wear your nice dress, skirt/blouse, hose, and heels. Don't let heels be too high. You don't want to fall on or off the stage.

**REMEMBER:** This is the beginning of the rest of your life

**PLEASE READ:** Again, children get tired and sleepy when they have to sit still for long lengths of time, so make sure who ever has your child(ren) knows to take them out before they become restless. **ANY** child three, or four years old, or older will need their own ticket. If children are walking or being carried, and they look around that age or older, you will be asked to buy a ticket for them if they don't have one. We want everyone to have a great time, please help us make this happen.
